

BRIDGE *in the* BEACH

59TH BALTIC CONGRESS

2ND - 10TH AUGUST 2019
SOPOT, POLAND

Sopot is charming seaside town on the shores of the Baltic Sea, well known health resort destination. It has the longest wooden pier in all of Europe and is the smallest one of three cities - Sopot, Gdansk and Gdynia which all together are called TriCity.

Gdansk is the oldest and most famous city with over 1000 years of tradition and beautiful Old Town. History is all over the place, so you will find here Solidarity Museum, II World War Museum and famous St. Dominic Market which has been going on for 750 years!

Gdynia from the other hand, is a newborn city with less than 100 years of presence with charming boulevard and many paths along the sea.

All in all, we all love bridge and you will find in Baltic Congress all sort of players - from amateurs to world class. If you are starving of bridge you can enjoy it all in 9 days long during Congress.

Main event is **Polish Teams Championships** which from first to last stage consists of approx. 150 boards and gather circa 60 very decent teams. The greatest pairs tournament is **Grand Prix Pairs** with about 300 pairs.

Congress pair tournaments are usually bigger ones with stronger opponents and higher prizes whereas open tournaments are more wild ones :-)
